Commissioner for Patents

Sir:

Further to a review of the instant application after receipt of the Notice of Allowance mailed September 14, 2006, it appears that the Notice did not forward confirmation that the Examiner considered the Information Disclosure Statements filed July 31, 2003, November 18, 2003, February 17, 2004, and March 31, 2006. While copies of the initialed PTO-1449s corresponding to the Information Disclosure Statements filed July 31, 2003, November 18, 2003, and February 17, 2004 were obtained through the Patent Application Information Retrieval (PAIR) system to confirm consideration of these references, applicants have not received confirmation that the Information Disclosure Statement filed on March 31, 2006 has been considered. It is respectfully requested that the Examiner confirm consideration of the Information Disclosure Statement of March 31, 2006, a copy of which is in the Image File Wrapper.

If the Examiner has any remaining issues to be addressed, it is believed that prosecution can be expedited by the Examiner contacting the undersigned attorney for a telephone interview to discuss resolution of such issues.

Respectfully submitted,
